

AT THE TABLE WITH BC HANDS & VOICES PRESENTS 'DHH+ ADDITIONAL NEEDS'

**TUESDAY,
NOVEMBER 8**

7:00-8:30pm
Please register for
Zoom details

**An online evening for parents and caregivers
of deaf/hard of hearing children with additional
medical and/or support needs to join together
for conversation and connection**

Parent Guides and BC Hands & Voices board members with experience raising amazing kids with a variety of extra conditions will be available to answer questions and provide information to help support our kids to reach their full potential.

Statistically, more than 40% of deaf/hard of hearing children are born with additional needs – so we are in good company!

ASL interpreter provided if requested by November 1
