

BC Early Hearing Program

A service of BC Children's Hospital and the
Provincial Health Services Authority

IT'S NEVER TOO EARLY TO BE THINKING ABOUT WHAT'S NEXT

Join us for a unique opportunity to learn from inspiring Deaf and Hard of Hearing adult role models who are (DHH) Guides with the Hands & Voices Guide By Your Side Program and Board Members.

Discussion topics will include:

- finding community
- when to start teaching self-advocacy
- self-identity and peer relationships
- sharing your hearing differences with others
- socialization

ASL interpreters and CART captioning will be provided.
