Join us at a special parent coffee night about sleep! Sometimes the techniques we use with hearing children need some adjusting for our deaf/hard of hearing kids! If there are sleeping challenges in your home – you are certainly not alone! Share in the conversation with other parents and learn some tips so everyone is well rested! Come and join us for an informal coffee night where you can ask questions or share experiences with other parents.

Please join us: If you're interested in the phone-in/ video option, *please RSVP by Sept 25th* so that we can provide you with the access details.
