

## Facebook Interactive Post Chat!

**Thursday January 30<sup>th</sup> 2020 7:00pm – 8:00pm**

Log on to Facebook and find BC Hands & Voices (<https://www.facebook.com/handsandvoicesBC/>)

Guide Coordinator Kim Shauer and Parent Guide Catherine Kalchbrenner will be posting and commenting on typewritten questions live and leading a written/ text chat that you may participate in by typing your own comments on the posted questions (there will be no audio or video casting to others).

Let's share goals, dreams, resolutions and plans for our deaf/hard of hearing children. "What works for your child is what makes the choice right!". As you ask and answer questions, please be considerate of others' viewpoints. There is "no one size fits all". There will be various topic questions posted over the hour. Type your comment on the ones you want to! BC Hands & Voices supports families with deaf/hard of hearing children 0-5 years old. We encourage alumni H&V parents to comment in this discussion as well. There is so much knowledge among us that can be shared with new families.
