

VIRTUAL PARENT EVENING

Topic: Unilateral Hearing Loss

Tuesday, April 7th, 2020 7:00 – 9:00pm

Location Update: Connect from your home only: by phone or computer/smart phone

*This is a special evening specifically for **parents of children who are unilaterally deaf or hard of hearing.***

BC H&V board members Rabab Elbaharia (a parent of a child with unilateral hearing) and Lisa Cable (an adult with unilateral hearing) will team up to lead our evening and share experiences. This is a great opportunity to learn from other parents of children who are deaf/ hard of hearing in one ear. You will have the opportunity to ask questions and share information – a virtual event now only.

Please RSVP to Catherine at ckalchbrenner@cw.bc.ca

RSVP by April 2 and to receive connectivity information (teleconference & link to webcast)
