

PARENT CONNECT NIGHT ON ZOOM

# Keep Calm & Ask 'Unilateral Hearing'

*A special coffee night specifically for parents of children who are unilaterally deaf or hard of hearing. BC H&V board members Rabab Elbaharia (a parent of a unilaterally dhh child) & Lisa Cable (an adult with unilateral hearing) will team up to lead our evening and share experiences. This is a great opportunity to get together and learn from other parents of children who are dhh in one ear. This is an informal evening with lots of opportunity to ask questions and share information.*
