

PARENT CONNECT NIGHT ON ZOOM

Keep Calm & Ask 'Unilateral Hearing'

Join us for a special parent night specifically for parents of children who are unilaterally deaf or hard of hearing. Lisa Cable (an adult with unilateral hearing) will team up with BC H&V board member parents to lead our evening and share experiences. This is a great chance to get together and learn from other parents. It will be an informal evening with lots of opportunity to ask questions and share information.

Wednesday January 24, 2024

7:00-8:30 PM

ASL Interpreters will be provided if requested by January 10
