

2024 ANNUAL GENERAL MEETING

Join us on Zoom!

Ask Us Anything! Parent Connect Event

Join us for our Annual General Meeting (AGM) and "Ask Me Anything" event with board members, Guide By Your Side parents and DHH adults. Discover our achievements from the past year and exciting plans for the future during a brief AGM. The remainder of the time will be dedicated to an interactive "Ask Me Anything" session where board members, Guide By Your Side parents, and DHH adults discuss raising deaf/hard of hearing children to their full potential. **Did you know BC H&V celebrated our 15th year anniversary last year? Our experienced team, with years of lived experience, is here to answer your questions and share insights.**

Whether you're a parent, professional, member, or non-member, everyone is welcome. ASL interpreters will be provided. Join us for an empowering, knowledge-sharing session to expand your perspective and feel more optimistic.
