

## BC HANDS & VOICES Parent Connect Night 'Unilateral Hearing & Microtia/Atresia'

Join us for a special parent night about unilateral hearing and microtia/atresia hosted by our board member parents and guides with children who have unilateral hearing, microtia/atresia and/or use Bone Anchored Hearing Systems (BAHS). Grab a beverage and join us from your favourite spot at home! Ask questions, get tips, and share experiences with other parents.

**Second Language and/ or ASL interpreters will be provided if requested by January 13**
