'Growing Up with Hands & Voices' Parent Connect Event

Join us for our Annual General Meeting (AGM) and special parent connect when we'll be joined by kids & teens who have grown up with "Hands & Voices"! Kids from 11-17 will be present to share their experiences and answer your questions! Deaf, hard of hearing, devices, no devices, ASL or spoken language; our panel will truly represent the awesome diversity of our community.

Whether you're a parent, professional, member, or non-member, everyone is welcome. ASL interpreters will be provided. Join us for an empowering, knowledge-sharing session to expand your perspective and feel more optimistic.
